Southbridge Savings Bank Has Successful Toys for Tots Collection

December 11, 2009 – Every year Southbridge Savings Bank takes in a large amount of toy donations for Toys for Tots and this year was no exception. In addition to having a large collection of toys the Bank also raised \$415 in collections from customers.

“The amount of toys collected this year was great considering the present economy”, stated Jill Motyka, Southbridge Savings Bank Marketing Manager. “The Marines had to make an extra pick up after the scheduled collection because the toys kept coming in!”

The mission of the U.S. Marine Corps Reserve Toys for Tots Program is to collect new, unwrapped toys during October, November and December each year, and distribute those toys as Christmas gifts to needy children in the community in which the campaign is conducted. The primary goal is to deliver, through a shiny new toy at Christmas, a message of hope to needy youngsters that will motivate them to grow into responsible, productive, patriotic citizens and community leaders.
