**SSB INVESTMENT SERVICES AWARDED TOP ANNUITY PRODUCER  
IN MASSACHUSETTS BY SBLI**

*SSB Investment Services Representatives Jason Main and John Jawor hold up their recent award*

Bretton Woods, NH – On March 5, 2010 Jason D. Main, an independent LPL Financial advisor and Vice President of Investment Services with Southbridge Savings Bank, was announced as the Top Producing Advisor for Savings Bank Life Insurance of Massachusetts (SBLI). He was presented his award by Robert K. Sheridan, SBLI President and Chief Executive Officer and Kevin F. Kiley, Esq., Massachusetts Bankers Association Executive Vice President and Chief Operating Officer at SBLI's recent education conference held at the Mt. Washington Hotel and Resort.

“This award is really a reflection of the hard work and commitment our entire department has towards protecting peoples financial futures. Our conservative clients enjoy the peace of mind that comes with predictable steady returns and guaranteed income streams,” stated Jason Main in a recent interview. “We take our clients financial security very seriously and SBLI’s products are a big part of that.”
